

Operator / Driver Position

Hanover Township is seeking a qualified applicant for the Road Department. The position is 40 hours per week. The Department is responsible for the construction and general maintenance of township roads, parks, and properties. The position requires high school diploma or GED equivalent, experience in the operation of equipment including, but not limited to, dump trucks, backhoe, loaders, tractors, attachments, and the use of a variety of hand and power tools. A mechanical/welding background is a plus. The qualified individual should have knowledge of construction/maintenance and willing to learn on-the-job. A current Class A CDL license is required. The individual **MUST BE AVAILABLE FOR ON-CALL WINTER MAINTENANCE AND evening/weekend hours MAY be required FOR INCLEMENT WEATHER AND EMERGENCY EVENTS**. The position offers an excellent benefit package including pension, paid holidays, medical/dental/vision, etc. Starting hourly rate will be based upon the schedule set forth in the current union contract.

Successful applicants must be at least 18 years of age, possess a valid PA Driver's License, and be able to satisfactorily complete a PA State Police Criminal Background Check as well as a PA Department of Motor Vehicles Records Check.

Qualified applicants are invited to either [download the application](#) for completion and send to the township or visit the Hanover Township Office. Applications will be accepted through August 31, 2021.
